

Sordin Sharp

Electronic hearing protector with Bluetooth Multipoint support

Headband version | Helmet version

DESCRIPTION

Sordin Sharp is designed for professionals in need to be connected all day. This high-quality electronic hearing protector comes with support of Bluetooth® Multipoint. This means that you can connect up to two external devices simultaneously, for example a smartphone and a 2-way radio. Sordin Sharp is available in headband or helmet-mounted version, with or without a boom microphone. Ambient sound support lets you hear surrounding sound, while being safely protected against harmful noise.
